JAVA Intelligence - Canadians Trained in the USSR

REFS: OCOA-5295, 7 April 1962  
OCOA-4061, 11 Jan 1962  
OCOA-2931, 1 May 1959

ACTION REQUIRED: Advise S-ABOVE per paragraph 1

1. AECASSOMARY/2 does not expect to contact his source again until sometime in June. He will make an effort to obtain whatever additional information he can, although he was not able to predict how much, if any more, his source knows about the individuals concerned. The results of AECASSOMARY/2's next contact with the source will be made known to you.

2. FYI. AECASSOMARY/2 is not willing to reveal his source to S-ABOVE for obvious reasons. The source continues to be socially accepted by the Progressive circles in Canada and his change of political sympathies is not known to them. An approach to him by S-ABOVE, if it became known to his colleagues, would not stand him in good stead. Also, if questioned in regard to subject individuals, A/2's involvement with either or both KUBARK and S-ABOVE would become obvious to source since he supposedly gave this information only to AECASSOMARY/2. A/2 is willing, however, to discuss with source the desirability of his voluntarily reporting his knowledge in this regard to S-ABOVE.
